

Skippers Hill Manor
Preparatory School

Introducing
Miss Beazleigh
Year 3 Class Teacher

Joining
Skippers Hill Manor
in September 2018

What attracted you to the role at Skippers?

I'm really excited to be joining the Skippers Hill community in September. I was attracted to the family ethos at the school as it reminded me of my own school days, which I loved.

What skills and experience can you bring to Skippers?

I'm looking forward to bringing fun and enthusiasm to my classroom and a determination to succeed. I'm also very excited about sharing my passion for dance and performing arts with the children.

Why did you decide to become a teacher?

I wanted to enter the teaching profession to inspire others in the same way that teachers have inspired me. Having benefitted from a nurturing, caring environment myself, I look forward to being part of a community which encourages and instils these values.

What is the best thing about being a teacher?

I'm looking forward to building relationships with the children at Skippers and witnessing the progress they make when given the support they need and the recognition they deserve.

What do you enjoy doing in your spare time?

My interests include a variety of sports and musical activities. I also love to ski and travel overseas whenever possible. I look forward to meeting you all in September.
