

CREATIONS: Easter fun for youngsters at Skippers Hill Preparatory School

## Hat's the way to celebrate Easter at Skippers Hill Prep

PUPILS from Skippers Hill Preparatory School in Five Ashes spent the last day of term celebrating Easter, kicking the day off with a bonnet parade.

The children gathered in the playground to show off their

millinery creations, which they had lovingly put together at home and at school.

Molly Jones in Year 1 said she enjoyed the day's activities.

"I really like my hat, especially the fluffy chick on

top," she said. "We always have such a great time celebrating Easter at school."

The day was also full of Easter-themed games and included an Easter egg hunt in the school's 22 acres of grounds.
