Trips at Skippers Hill

During my nine years at Skippers I have been on some fabulous school trips.

My favourite in the Junior School was Hever Castle, as we got to dress up as knights and explore the castle grounds.

More recently, Yr 7 and 8 went to see Goodnight Mr Tom at London's Phoenix Theatre. The actors were incredible, and each scene was meaningful.

The Senior Choir took part in the annual Young Voices concert at the O2 arena, which was such an amazing atmosphere. With 8,000 people dancing and singing their hearts out, everybody had the most fantastic day.

My best school trip has to be Jersey. All the Yr 7 and 8's (with a few brave teachers!) go to Jersey and spend a week there. It is fantastic; as you are with all of your friends, you meet people from other schools, do loads of fun sport, and go swimming and bowling. Jersey is a great trip for us, and is a fabulous opportunity to make friends with your older peers.
