Where individuality is cherished

At Skippers, each pupil will:

- Participate and achieve in all aspects of school life, becoming a well-rounded and confident individual
- Become an effective learner who takes pride in their achievements, facing and overcoming challenge
- Develop courage and independence, demonstrating ownership of their learning and the school
- Be healthy, happy and know how to stay safe
- Be inclusive, tolerant and fair-minded, valuing the importance of relationships with others

We enable the fulfilment of our vision by:

- Offering an education which is broad as well as deep, where innovation is welcome and children are able to blossom.
- Maintaining an unwavering focus on learning at all levels of the organisation, valuing the process and recognising that mistakes are an opportunity for deeper learning.
- Providing a warm, inclusive and supportive environment where every student is treated as an individual with their own unique set of talents and where the breadth of achievement is recognised.
- Ensuring that teaching combines the best of tradition with the latest approaches, ensuring that every lesson excites and engages.
- Recruiting and investing in the best staff, making sure they are supported and challenged; our training programme and opportunities to share best practice are unrivalled.
- Utilising our enchanting setting, investing in quality facilities and current technologies.
- Involving parents in their children's education through providing a window on learning.
